If you received a Notice of Internet Availability of Proxy Materials by mail, you will not receive a printed copy of the proxy materials unless you request them. Instead the Notice of Internet Availability of Proxy Materials will instruct you as to how you may access and review the proxy materials, and vote your proxy, on the Internet.

Your vote is extremely important to us. If you are unable to participate in the Annual Meeting, we encourage you to vote your proxy on the Internet by following the instructions provided on the Notice of Internet Availability of Proxy Materials. You may also request from us free of charge hard copies of the proxy statement and a proxy card by following the instructions on the Notice of Internet Availability of Proxy Materials. In the event there are not enough votes for a quorum or to approve the proposals at the time of the Annual Meeting, the Annual Meeting may be adjourned in order to permit further solicitation of proxies by the Company.

**THE BOARD OF DIRECTORS, INCLUDING EACH OF THE INDEPENDENT DIRECTORS,

PROXY STATEMENT

For

**2021 Virtual Annual Meeting of
Stockholders
To Be Held on February 5, 2021
Online Meeting Only — No Physical Meeting Location
www.virtualshareholdermeeting.com/GBDC2021**

This document will give you the information you need to vote on the matters listed on the accompanying Notice of Annual Meeting of Stockholders (“Notice of Annual Meeting”). Much of the information in this Proxy Statement is required under rules of the Securities and Exchange Commission (“SEC”), and some of it is technical in nature. If there is anything you do not understand, please contact us at 212-750-6060.

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors (the “Board”) of Golub Capital BDC, Inc. (the “Company,” “Golub Capital BDC,” “we,” “us” or “our”) for use at our 2021 Annual Meeting of Stockholders (the “Annual Meeting”) to be conducted virtually via live webcast on Tuesday, February 5, 2021 at 9:30 a.m., Eastern Time, and at any postponements or adjournments thereof. You or your proxyholder can participate, vote, and examine our stockholder list at the virtual annual meeting by visiting www.virtualshareholdermeeting.com/GBDC2021 and using the 16-digit control number included in your Notice of Internet Availability of Proxy Materials. This Proxy Statement and the Company’s Annual Report for the fiscal year ended September 30, 2020, are being provided to stockholders of the Company (the “Stockholders”) of record as of December 14, 2020 via the Internet on or about December 18, 2020. In addition, a Notice of Annual Meeting and a Notice of Internet Availability of Proxy Materials are being sent to Stockholders of record as of December 14, 2020.

We encourage you to vote your shares, either by voting virtually at the Annual Meeting or by voting by proxy, which means that you authorize someone else to vote your shares. Shares represented by duly executed proxies will be voted in accordance with your instructions. If you execute a proxy without specifying your voting instructions, your shares will be voted in accordance with the Board’s recommendation. If any other business is brought before the Annual Meeting, your shares will be voted at the Board’s discretion unless you specifically state otherwise on your proxy.

You may revoke a proxy at any time before it is exercised by notifying the Company’s Secretary in writing, by submitting a properly executed, later-dated proxy, or by voting virtually at the Annual Meeting. Any Stockholder entitled to vote at the Annual Meeting may participate in the Annual Meeting and vote virtually, whether he or she has previously voted his or her shares via proxy or wishes to change a previous vote.

You will be eligible to vote your shares electronically via the Internet, telephone, or by mail by following the instructions on the Notice of Internet Availability of Proxy Materials.

Purpose of Annual Meeting

At the Annual Meeting, you will be asked to vote on the following proposals:

1. To elect two Class II directors of the Company who will each serve until the 2024 Annual Meeting of Stockholders of the Company or until his successor is duly elected and qualified; and
2. To ratify the selection of Ernst & Young LLP to serve as the Company’s independent registered public accounting firm for the fiscal year ending September 30, 2021.

Voting Securities

You may vote your shares at the Annual Meeting only if you were a Stockholder of record at the close of business on December 14, 2020 (the “Record Date”). There were 167,259,511 shares of the Company’s common stock (the “Common Stock”) outstanding on the Record Date. Each share of Common Stock is entitled to one vote.

Quorum Required

A quorum must be present at the Annual Meeting for any business to be conducted. The presence at the Annual Meeting, virtually or by proxy, of the holders of a majority of the shares of Common Stock outstanding on the Record Date will constitute a quorum. Shares held by a broker or other nominee for which the nominee has not received voting instructions from the record holder and does not have discretionary authority to vote the shares on non-routine proposals (which are considered “broker non-votes” with respect to such proposals) will be treated as shares present for quorum purposes. If there are not enough votes for a quorum, the Annual Meeting can be adjourned in order to permit the further solicitation of proxies.

Votes Required

Election of Directors

The election of directors requires the vote of a majority of the shares of Common Stock cast at the Annual Meeting in person virtually or by proxy (meaning the number of shares voted “for” a nominee must exceed the number of shares voted “against” such nominee). Stockholders may not cumulate their votes. Abstentions and broker non-votes will not be included in determining the number of votes cast, and, as a result, will have no effect on the election of nominees.

Ratification of Independent Registered Public Accounting Firm

The affirmative vote of a majority of the votes cast at the Annual Meeting virtually or by proxy is required to ratify the appointment of Ernst & Young LLP to serve as the Company’s independent registered public accounting firm (meaning that the number of shares voted “for” the proposal must exceed the number of shares voted “against” such proposal). Abstentions will not be included in determining the number of votes cast and, as a result, will have no effect on this proposal.

Broker Non-Votes

Broker non-votes are described as votes cast by a broker or other nominee on behalf of a beneficial holder who does not provide explicit voting instructions to such broker or nominee and who does not participate in the meeting. Proposal 1 is a non-routine matter. As a result, if you hold shares in “street name” through a broker, bank or other nominee, your broker, bank or nominee will **not** be permitted to exercise voting discretion with respect to Proposal 1, the election of two Class II directors. Thus, if you do not give your broker or nominee specific instructions on how to vote for you or do not vote for yourself by returning a proxy card or by other arrangement with your broker or nominee, your shares will have no effect on Proposal 1.

Proposal 2, the ratification of the selection of Ernst & Young LLP, is a routine matter. As a result, if you beneficially own your shares and you do not provide your broker or nominee with proxy instructions, by returning a proxy card or by other arrangement with your broker or nominee, your broker or nominee will be able to vote your shares for you on this routine matter.

Adjournment and Additional Solicitation. If there appear not to be enough votes to approve the proposals at the Annual Meeting, the chair of the Annual Meeting shall have the power to adjourn the Annual Meeting from time to time without notice other than announcement at the Meeting or Stockholders who are represented virtually or by proxy may vote to adjourn the Annual Meeting to permit further solicitation of proxies.

A Stockholder vote may be taken on any of the proposals in this Proxy Statement prior to any such adjournment if there are sufficient votes for approval of such proposal.

Information Regarding This Solicitation

The Company will bear the expense of the solicitation of proxies for the Annual Meeting, including the cost of preparing and posting this Proxy Statement and the Annual Report to the Internet and the cost of mailing the Notice of Annual Meeting of Stockholders, the Notice of Internet Availability of Proxy Materials and any requested proxy materials to Stockholders. The Company intends to use the services of GC Advisors LLC (“GC Advisors”), the Company’s investment adviser, to aid in the distribution and collection of proxy votes. The Company expects to pay market rates for such services. If brokers, trustees, or fiduciaries and other institutions holding shares in their own names or in the names of their nominee, which shares are beneficially owned by others, forward the proxy materials to, and obtain proxies from, such beneficial owners, the Company will reimburse such persons for their reasonable expenses in so doing.

No additional compensation will be paid to directors, officers or regular employees for such services. If the Company retains a solicitor, the Company has estimated that it would pay approximately \$50,000 for such services. If the Company engages a solicitor, you could be contacted by telephone on behalf of the Company and urged to vote. The solicitor will not attempt to influence how you vote your shares, but only ask that you take the time to cast a vote. You may also be asked if you would like to vote over the telephone and to have your vote transmitted to our proxy tabulation firm.

Stockholders may provide their voting instructions through the Internet, by telephone, or by mail by following the instructions on the Notice of Internet Availability of Proxy Materials. These options require Stockholders to input the Control Number, which is provided with the Notice of Internet Availability of Proxy Materials. If you vote using the Internet, after visiting www.proxyvote.com and inputting your Control Number, you will be prompted to provide your voting instructions. Stockholders will have an opportunity to review their voting instructions and make any necessary changes before submitting their voting instructions and terminating their Internet link. Stockholders who vote via the Internet, in addition to confirming their voting instructions prior to submission, will, upon request, receive an e-mail confirming their instructions.

If a Stockholder wishes to participate in the Annual Meeting but does not wish to give a proxy by Internet, the Stockholder may join the Annual Meeting virtually or request and submit a proxy card by following the instructions on the Notice of Internet Availability of Proxy Materials.

Any proxy authorized pursuant to this solicitation may be revoked by notice from the person giving the proxy at any time before it is exercised. A revocation may be affected by resubmitting voting instructions via the Internet voting site, by telephone, by obtaining and properly completing another proxy card that is dated later than the original proxy card and returning it, by mail, in time to be received before the Annual Meeting, by participating in the Annual Meeting and voting in person, or by a notice, provided in writing and signed by the Stockholder, delivered to the Company’s Secretary on any business day before the date of the Annual Meeting.

Pursuant to Section 16(a) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), the Company’s directors and other executive officers, and any persons holding more than 10% of its Common Stock, are required to report their beneficial ownership and any changes therein to the SEC and the Company. Based on the Company’s review of Forms 3, 4 and 5 filed by such persons and information provided by the Company’s directors and other executive officers, the Company believes that during the fiscal year ended September 30, 2020, all Section 16(a) filing requirements applicable to such persons were met in a timely manner.

PROPOSAL 1: ELECTION OF DIRECTORS

In accordance with the Company's certificate of incorporation and bylaws, the Board currently has six members. Directors are divided into three classes and are elected for classified terms expiring at the third succeeding annual meeting of stockholders, with a term of office of one of the three classes of directors expiring each year at the Annual Meeting of the Stockholders of the Company. After this election, the terms of Class III, I and II directors will expire in 2022, 2023 and 2024, respectively. Each director will hold office for the term to which he or she is elected and until his or her successor is duly elected and qualified.

A Stockholder can vote for or against, or abstain from voting for, any nominee. In the absence of instructions to the contrary, it is the intention of the persons named as proxies to vote such proxy FOR the election of each nominee named below. If a nominee should decline or be unable to serve as a director, it is intended that the proxy will be voted for the election of such person as is nominated by the Board as a replacement. The Board has no reason to believe that either Mr. John T. Baily or Mr. Kenneth F. Bernstein will be unable or unwilling to serve.

THE BOARD, INCLUDING EACH OF THE INDEPENDENT DIRECTORS, UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR THE ELECTION OF EACH OF THE NOMINEES NAMED IN THIS PROXY STATEMENT.

Corporate Governance

We believe that maintaining the highest standards of corporate governance is a crucial part of our business, and we are committed to having in place the necessary controls and procedures designed to ensure compliance with applicable laws, rules and regulations.

Director Independence

The Nasdaq Stock Market LLC (“Nasdaq”) corporate governance rules require listed companies to have a board of directors with at least a majority of independent directors. Under Nasdaq corporate governance rules, for a director to be deemed independent, our Board must determine that the individual does not have a relationship that would interfere with the director’s exercise of independent judgment in carrying out his or her responsibilities. On an annual basis, each member of our Board is required to complete an independence questionnaire designed to provide information to assist the Board in determining whether the director is independent under Nasdaq corporate governance rules, the 1940 Act and our corporate governance guidelines. Our Board has determined that each of our directors, other than Mr. Lawrence E. Golub and Mr. David B. Golub, is independent under the Nasdaq listing standards, the Exchange Act and the 1940 Act. Our governance guidelines require any director who has previously been determined to be independent to inform the Chairman of the Board, the Chairman of the Nominating and Corporate Governance Committee and our Corporate Secretary of any change in circumstance that may cause his or her status as an Independent Director to change. The Board limits membership on the Audit Committee, the Nominating and Corporate Governance Committee and the Compensation Committee to Independent Directors.

The Board’s Oversight Role in Management

The Board’s role in management of the Company is one of oversight. Oversight of the Company’s investment activities extends to oversight of the risk management processes employed by GC Advisors as part of its day-to-day management of our investment activities. The Board reviews risk management processes throughout the year, consulting with appropriate representatives of GC Advisors as necessary and periodically requesting the production of risk management reports or presentations. The goal of the Board’s risk oversight function is to ensure that the risks associated with our investment activities are accurately identified, thoroughly investigated and responsibly addressed. The Audit Committee of the Board (which consists of all the Independent Directors) is responsible for approving our independent accountants, reviewing with our independent accountants the plans and results of the audit engagement, approving professional services provided by our independent accountants, reviewing the independence of our independent accountants and reviewing the adequacy of our internal accounting controls. The Audit Committee is also responsible for aiding the Board in fair value pricing debt and equity securities that are not publicly traded or for which current market values are not readily available. Stockholders should note, however, that the Board’s oversight function cannot eliminate all risks or ensure that events do not adversely affect the value of investments. The Compensation Committee’s risk oversight responsibilities include reviewing the reimbursement by the Company to Golub Capital LLC (the “Administrator”) of the allocable portion of the cost of the Company’s chief financial officer and chief compliance officer and their respective staffs on an annual basis.

The Board’s Composition and Leadership Structure

The 1940 Act requires that at least a majority of the Company’s directors not be “interested persons” (as defined in the 1940 Act) of the Company. Currently, four of the Company’s six directors are Independent Directors (and are not “interested persons”). However, Lawrence E. Golub, Chief Executive Officer of Golub Capital, and therefore an interested person of the Company, serves as Chairman of the Board. The Board believes that it is in the best interests of investors for Mr. Golub to lead the Board because of his broad experience with the day-to-day management and operation of other investment funds and his significant background in the financial services industry, as described below. The Board does not have a lead independent director. However, William M. Webster IV, the Chairman of the Audit Committee and the Nominating and Corporate Governance Committee, is an Independent Director and acts as a liaison between the Independent Directors and management between meetings of the Board. He is also

involved in the preparation of agendas for Board and committee meetings. The Board believes that its leadership structure is appropriate in light of the characteristics and circumstances of the Company because the structure allocates areas of responsibility among the individual directors and the committees in a manner that enhances effective oversight. The Board also believes that its small size creates a highly efficient governance structure that provides ample opportunity for direct communication and interaction between GC Advisors and the Board.

Information About Each Director's Experience, Qualifications, Attributes or Skills

Below is additional information about each director (supplementing the information provided in the table above) that describes some of the specific experiences, qualifications, attributes and/or skills that each director possesses, and which the Board believes has prepared each director to be effective. The Board believes that the significance of each director's experience, qualifications, attributes and/or skills is an individual matter (meaning that experience or a factor that is important for one director may not have the same value for another) and that these factors are best evaluated at the Board level, with no single director, or particular factor, being indicative of Board effectiveness. However, the Board believes that directors need to have the ability to review, evaluate, question and discuss critical information provided to them and to interact effectively with Company management, service providers and counsel, in order to exercise effective business judgment in the performance of their duties. The Board believes that its members satisfy this standard. Experience relevant to having this ability may be achieved through a director's educational background, business, professional training or practice (e.g., finance, accounting or law), public service or academic positions, experience from service as a board member (including the Board of the Company) or as an executive of investment funds, public companies or significant private or not-for-profit entities or other organizations, and/or other life experiences. To assist them in evaluating matters under federal and state law, the Independent Directors are counseled by their own independent legal counsel, who participates in Board meetings and interacts with GC Advisors, and also may benefit from information provided by the Company's counsel. Both Independent Directors' and Company's counsels have significant experience advising funds, including other business development companies, and fund board members. The Board and its committees have the ability to engage other experts as appropriate. The Board evaluates its performance on an annual basis.

Experience, Qualifications, Attributes and/or Skills that Led to the Board's Conclusion that such Members Should Serve as Directors of the Company

Webster IV, each of whom is financially literate and meets the independence standards established by the SEC and Nasdaq for audit committees and is independent for purposes of the 1940 Act. William M. Webster IV serves as Chairman of the Audit Committee. Our Board has determined that Mr. Baily, Mr. Bernstein and Mr. Webster are each an “audit committee financial expert” as that term is defined under Item 407 of Regulation S-K of the Exchange Act.

The purpose of the Audit Committee is to monitor (i) the integrity of the financial statements of the Company, (ii) the independent auditor’s qualifications and independence, (iii) the performance of the Company’s internal audit function and independent auditors and (iv) the compliance by the Company with legal and regulatory requirements. The Audit Committee is directly responsible for approving and overseeing our independent accountants, including review and discussion of material written communications between the independent accountants and management, and reviewing with our independent accountants the plans and results of the audit engagement, including critical accounting policies to be used, alternative treatment of financial information within generally accepted accounting principles that have been discussed with management and, in the future, critical audit matters. As part of its oversight, the Audit Committee is responsible for approving professional services provided by our independent accountants, reviewing the independence of our independent accountants and reviewing and overseeing the adequacy of our internal accounting controls. The Audit Committee is responsible for reviewing and discussing with management and our independent accountants our annual audited financial statements, including disclosures made in management’s discussion and analysis, and recommending to the Board whether the audited financial statements should be included in the Company’s Annual Report on Form 10-K. On a quarterly basis, the Audit Committee reviews and discusses with management and our independent accountants the Company’s earnings releases and quarterly financial statements prior to the filing of the Company’s Quarterly Reports on Form 10-Q, including the results of the independent accountants’ reviews of the quarterly financial statements. Periodically during each fiscal year, the Audit Committee meets, including private meetings, with our independent accountants and selected executive officers of the Company, as appropriate, for consultation on audit, accounting and related financial matters. At least annually, the Audit Committee reviews a report from the independent accountants regarding the independent accountant’s internal quality-control procedures, any material issues raised by internal quality review, or peer review, of the firm or any inquiry or investigation by governmental or professional authorities within the preceding five years respecting one or more independent audits carried out by the firm and any steps taken to deal with any such issues, as well as all relationships between the independent accountants and the Company. In its consideration of whether to recommend that stockholders ratify the selection of our independent accountants, the Audit Committee considers both the independence of the independent accountants from us and management and whether retaining the independent accountants is in the best interests of the Company and our stockholders. The Audit Committee reviews and approves the amount of audit fees and any other fees paid to our independent accountants.

The function of the Audit Committee is oversight. The independent accountants are accountable to the Board and the Audit Committee, as representatives of the Company’s stockholders. The Board and the Audit Committee have the ultimate authority and responsibility to select, evaluate and, where appropriate, replace the Company’s independent accountants (subject, if applicable, to shareholder ratification).

In fulfilling their responsibilities, the members of the Audit Committee are not full-time employees of the Company or management and are not, and do not represent themselves to be, accountants or auditors

kby profession. Accordingly, it is not the duty or the responsibility of the Audit Committee or its members to conduct “field work” or other types of auditing or accounting reviews or procedures, to determine that our financial statements are complete and accurate and are in accordance with generally accepted accounting principles, or to set auditor independence standards.

The responsibilities of the Audit Committee also include compliance oversight, including discussing with management and the independent auditors any correspondence with regulators or governmental agencies and any published reports that raise material issues regarding the Company’s financial statements or accounting policies. In addition, the Audit Committee reviews related party transactions and considers any conflicts of interest brought to its attention pursuant to the Company’s Code of Conduct or Code of Ethics. See “Certain Relationships and Related Party Transactions.”

The Audit Committee is also responsible for aiding our Board in fair value pricing debt and equity securities that are not publicly traded or for which current market values are not readily available. Portfolio Management

Each investment opportunity requires the consensus and generally receives the unanimous approval of GC Advisors' investment committee. Follow-on investments in existing portfolio companies may require the investment committee's approval beyond that obtained when the initial investment in the company was made. In addition, temporary investments, such as those in cash equivalents, U.S. government securities and other high-quality debt investments that mature in one year or less, may require approval by the investment committee. The day-to-day management of investments approved by the investment committee is overseen by Messrs. Lawrence and David Golub. Biographical information with respect to Messrs. Lawrence and David Golub is set out under "— Information About Each Director's Experience, Qualifications, Attributes or Skills — Interested Directors."

Each of Lawrence Golub and David Golub has ownership and financial interests in and may receive compensation and/or profit distributions from, GC Advisors. Neither Lawrence Golub nor David Golub receives any direct compensation from the Company. As of the date of this proxy statement, Lawrence Golub and David Golub each beneficially owned more than \$1 million of the Company's common stock. Lawrence Golub and David Golub are also primarily responsible for the day-to-day management of approximately 22 other pooled investment vehicles, with over \$30.7 billion of capital under management, and approximately 18 other accounts, with over \$3.2 billion of capital under management, in which their affiliates receive incentive fees.

Certain Relationships and Related Party Transactions

We have entered into agreements with GC Advisors, in which members of our senior management and members of GC Advisors' investment committee have ownership and financial interests. Members of our senior management and the investment committee also serve as principals of other investment advisers affiliated with GC Advisors that do and in the future will sponsor or manage accounts with investment objectives similar to ours as well as funds with different investment objectives. In addition, our executive officers and directors and the members of GC Advisors and its investment committee serve or could serve as officers, directors or principals of entities that operate in the same, or related, line of business as we do or of accounts managed or sponsored by our affiliates. These accounts could have investment objectives similar to our investment objective.

In serving in these multiple capacities, GC Advisors and its personnel have obligations to other clients or investors in those entities, the fulfillment of which could conflict with the best interests of us or our stockholders. For example, the economic disruption and uncertainty precipitated by the COVID-19 pandemic has required GC Advisors and its affiliates to devote additional time and focus to existing portfolio companies in which other funds and accounts managed by GC Advisors and its affiliates hold investments. The allocation of time and focus by personnel of GC Advisors and its affiliates to these existing portfolio company investments held by other funds and accounts could reduce the time that such individuals have to spend on our investing activities.

Subject to certain 1940 Act restrictions on co-investments with affiliates, GC Advisors offers us the right to participate in all investment opportunities that it determines are appropriate for us in view of our investment objective, positions, policies, strategies and restrictions as well as regulatory requirements and other relevant factors. Such offers are subject to the exception that, in accordance with GC Advisors' code of ethics and allocation policies, we might not participate in each individual opportunity but will, on an overall basis, be entitled to participate equitably with other entities sponsored or managed by GC Advisors and its affiliates over time.

GC Advisors and its affiliates have both subjective and objective policies and procedures in place that are designed to manage the potential conflicts of interest between GC Advisors' fiduciary obligations to us and its similar fiduciary obligations to other clients. To the extent that we compete with entities sponsored or managed by GC Advisors or its affiliates for a particular investment opportunity, GC Advisors will allocate investment opportunities across the entities for which such opportunities are appropriate, consistent with (1) its internal conflict of interest and allocation policies, (2) the requirements of the Investment Advisers Act of 1940, as amended (the "Advisers Act"), and (3) certain restrictions under the 1940 Act regarding co-investments with affiliates. GC Advisors' allocation policies are intended to ensure that, over time, we may generally share equitably with other accounts sponsored or managed by GC Advisors or its affiliates in investment opportunities, particularly those involving a security with limited supply or involving differing classes of securities of the same issuer that are suitable for us and such other accounts. There can be no assurance that GC Advisors' or its affiliates' efforts to allocate any particular investment opportunity fairly among all clients for whom such opportunity is appropriate will result in an allocation of all or part of such opportunity to us. Not all conflicts of interest can be expected to be resolved in our favor.

GC Advisors has historically sponsored or managed, and currently sponsors or manages, accounts with similar or overlapping investment strategies and has put in place a conflict-resolution policy that addresses the co-investment restrictions set forth under the 1940 Act. GC Advisors seeks to ensure the equitable allocation of investment opportunities when we are able to invest alongside other accounts sponsored or managed by GC Advisors and its affiliates. When we invest alongside such other accounts,

such investments are made consistent with GC Advisors' allocation policy. Under this allocation policy, GC Advisors will determine separately the amount of any proposed investment to be made by us and similar eligible accounts. We expect that these determinations will be made in a similar manner for other accounts sponsored or managed by GC Advisors and its affiliates. If sufficient securities or loan amounts are available to satisfy our and each such account's proposed investment, the opportunity will be allocated in accordance with GC Advisor's pre-transaction determination. Where there is an insufficient amount of an investment opportunity to fully satisfy demand by us and other accounts sponsored or managed by GC Advisors or its affiliates, the allocation policy further provides that allocations among us and such other accounts will generally be made pro rata to us and each other eligible account based on the capital available for investment of each of us and such other eligible accounts, subject to the minimum and maximum investment size limits for each such party. In situations in which co-investment with other entities sponsored or managed by GC Advisors or its affiliates is not permitted or appropriate, such as when, in the absence of exemptive relief described below, we and such other entities would be making different investments in the same issuer, GC Advisors will need to decide whether we or such other entity or entities will proceed with the investment. GC Advisors will make these determinations based on its policies and procedures, which generally require that such opportunities be offered to eligible accounts on a basis that will be fair and equitable over time, including, for example, through random or rotational methods.

We have in the past and expect in the future to co-invest on a concurrent basis with other affiliates of GC Advisors, unless doing so is impermissible with existing regulatory guidance, applicable regulations, the terms of any exemptive relief granted to us and our allocation procedures. On February 27, 2017, we, along with GC Advisors and certain other funds and accounts sponsored or managed by GC Advisors and its affiliates, received exemptive relief from the SEC that permits us greater flexibility to negotiate the terms of co-investments if our Board determines that it would be advantageous for us to co-invest with other accounts sponsored or managed by GC Advisors or its affiliates in a manner consistent with our investment objectives, positions, policies, strategies and restrictions as well as regulatory requirements and other pertinent factors. We believe that co-investment by us and accounts sponsored or managed by the GC Advisors and its affiliates affords us additional investment opportunities and the ability to achieve greater diversification.

Under the terms of this exemptive relief, a "required majority" (as defined in Section 57(o) of the 1940 Act) of our independent directors is required to make certain conclusions in connection with a co-investment transaction, including that (1) the terms of the proposed transaction are reasonable and fair to us and our stockholders and do not involve overreaching of us or our stockholders on the part of any person concerned and (2) the transaction is consistent with the interests of our stockholders and is consistent with our investment strategies and policies.

GC Advisors and its affiliates have other clients with similar or competing investment objectives, including GBDC 3 and several private funds that are pursuing an investment strategy similar to ours, some of which will seek new capital from time to time. In serving these clients, GC Advisors could have obligations to other clients or investors in those entities. Our investment objective often overlaps with such affiliated accounts. GC Advisors' allocation procedures are designed to allocate investment opportunities among the accounts sponsored or managed by GC Advisors and its affiliates in a manner consistent with its obligations under the Advisers Act. If two or more accounts with similar investment strategies are actively investing, GC Advisors will seek to allocate investment opportunities among eligible accounts in a manner that is fair and equitable over time and consistent with its allocation policy. The Board regularly reviews the allocation policy of Golub Capital and annually reviews the code of ethics of GC Advisors.

Our senior management, members of GC Advisors' investment committee and other investment professionals from GC Advisors could serve as directors of, or in a similar capacity with, companies in which we invest or in which we are considering making an investment. Through these and other relationships with a company, these individuals could obtain material non-public information that could restrict our ability to buy or sell the securities of such company under the policies of the company or applicable law. In addition, we have adopted a formal Code of Ethics that governs the conduct of our and GC Advisors' officers, directors and employees. Our officers and directors also remain subject to the duties imposed by both the 1940 Act and the General Corporation Law of the State of Delaware.

On September 16, 2019, following the consummation of the Merger (as defined below), the Company entered into a new investment advisory agreement (the "Investment Advisory Agreement") with GC

Advisors which amended and restated the previous investment advisory agreement, dated as of August 4, 2014, by and between the Company and GC Advisors. The new Investment Advisory Agreement amended the previous investment advisory agreement in order to incorporate changes to the calculation of the cumulative incentive fee cap as well as the income component of the incentive fee but did not change the calculation of the capital gain component of the incentive fee or the rates of the incentive fees, nor eliminate the look-back to the Company's initial public offering for the incentive fee cap. The new Investment Advisory Agreement shall continue for an initial two-year term. The new Investment Advisory Agreement was approved by the Board on July 11, 2019 and by the Company's stockholders at a meeting held on September 4, 2019. The incentive fee is computed and paid on income that we may not have yet received in cash. This fee structure creates an incentive for GC Advisors to make certain types of investments. Additionally, we rely on investment professionals from GC Advisors to assist our Board with the valuation of our portfolio investments. GC Advisors' base management fee and incentive fee are based on the fair value of our average adjusted gross assets and there is a conflict of interest when personnel of GC Advisors are involved in the valuation process of our portfolio investments. Under our incentive fee structure, GC Advisors benefits when we recognize capital gains and, because GC Advisors determines when a holding is sold, GC Advisors controls the timing of the recognition of such capital gains. In addition, because the base management fee that we pay to GC Advisors is based on the fair value of our average adjusted gross assets, including those assets acquired through the use of leverage, GC Advisors has a financial incentive to incur leverage. For the fiscal year ending September 30, 2020, GC Advisors earned a base management fee, together with the collateral management fee described below, of \$59.2 million and an incentive fee of \$13.8 million.

We have entered into a license agreement with Golub Capital LLC under which Golub Capital LLC granted us a non-exclusive, royalty-free license to use the name "Golub Capital."

Pursuant to an administration agreement (the "Administration Agreement"), Golub Capital LLC furnishes us with office facilities and equipment and provides clerical, bookkeeping, recordkeeping and other administrative services at such facilities. Our Board reapproved the Administration Agreement for a one-year term in May 2020. Under our Administration Agreement, Golub Capital LLC performs, or oversees the performance of, our required administrative services, which include, among other things, being responsible for the financial records that we are required to maintain and preparing reports to our stockholders and reports filed with the SEC. GC Advisors is the sole member of and controls Golub Capital LLC. For the fiscal year ending September 30, 2020, the Company reimbursed GC Advisors \$6.4 million for the services described above.

GC Advisors is an affiliate of Golub Capital LLC, with whom it has entered into a staffing agreement (the "Staffing Agreement"). Under this agreement, Golub Capital LLC makes available to GC Advisors experienced investment professionals and access to the senior investment personnel and other resources of Golub Capital LLC and its affiliates. The Staffing Agreement provides GC Advisors with access to deal flow generated by the professionals of Golub Capital LLC and its affiliates and commits the members of GC Advisors' investment committee to serve in that capacity. GC Advisors seeks to capitalize on what we believe to be the significant deal origination, credit underwriting, due diligence, investment structuring, execution, portfolio management and monitoring experience of Golub Capital LLC's investment professionals.

GC Advisors serves as collateral manager to our indirect subsidiaries, Golub Capital BDC CLO 4 LLC, Golub Capital BDC III, LLC and GCIC CLO II, LLC under collateral management agreements and receives a fee for providing these services that is offset against the base management fee payable by us under the Investment Advisory Agreement.

On September 16, 2019, the Company completed its previously announced acquisition of GCIC, pursuant to that certain Agreement and Plan of Merger (as amended, the "Merger Agreement"), dated as of November 27, 2018, by and among the Company, GCIC, Fifth Ave Subsidiary Inc., a Maryland corporation and wholly owned subsidiary of the Company ("Merger Sub"), GC Advisors, and, for certain limited purposes, Golub Capital LLC. Pursuant to the Merger Agreement, Merger Sub was first merged with and into GCIC, with GCIC as the surviving corporation (the "Initial Merger"), and, immediately following the Initial Merger, GCIC was merged with and into the Company, with the Company as the surviving company (the Initial Merger and the subsequent merger, collectively, the "Merger").

In accordance with the terms of the Merger Agreement, at the effective time of the Merger, each outstanding share of GCIC common stock was converted into the right to receive 0.865 shares of common stock, par value \$0.001 per share of the Company (with GCIC stockholders receiving cash in lieu of fractional shares of the Company's common stock). As a result of the Merger, the Company issued an aggregate of 71,779,964 shares of its common stock to former GCIC stockholders prior to any adjustment for GCIC stockholders receiving cash in lieu of fractional shares.

The Audit Committee, in consultation with the Company's Chief Executive Officer, Chief Compliance Officer and legal counsel, has established a written policy to govern the review of potential related party transactions. The Audit Committee conducts quarterly reviews of any potential related party transactions and, during these reviews, it also considers any conflicts of interest brought to its attention pursuant to the Company's Code of Conduct or Code of Ethics.

**PROPOSAL 2: RATIFICATION OF
SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

The Audit Committee, comprised of all Independent Directors has selected Ernst & Young LLP to serve as the independent registered public accounting firm for the Company for the fiscal year ending September 30, 2021. This selection is presented for ratification by the Stockholders. It is expected that a representative of Ernst & Young LLP will join at the Annual Meeting and will have an opportunity to make a statement if he or she chooses and will be available to answer questions.

Principal Accountant Fees and Services

Of the audit fees billed, \$10,060 and \$19,000 related to Registration Statement and prospectus filings during 2020 and 2019, respectively.

Audit-Related Fees: Audit-related services consist of fees billed for assurance and related services that are reasonably related to the performance of the audit or review of our financial statements and are not reported under “Audit Fees.” These services include attest services that are not required by statute or regulation and consultations concerning financial accounting and reporting standards.

The Audit Committee has established a pre-approval policy that describes the permitted audit, audit-related, tax and other services to be provided by Ernst & Young LLP, the Company’s independent auditor. The policy requires that the Audit Committee pre-approve the audit and permissible non-audit services performed by the independent auditor in order to assure that the provision of such service does not impair the auditor’s independence. While there were no audit-related fees and tax fees incurred in the fiscal year ended September 30, 2020, if any of these would have been incurred, they would have been approved by the Audit Committee.

Any requests for audit, audit-related, tax and other services that have not received general pre-approval must be submitted to the Audit Committee for specific pre-approval and cannot commence until such approval has been granted. Normally, pre-approval is provided at regularly scheduled meetings of the Audit Committee. However, the Audit Committee may delegate pre-approval authority to one or more of its members. The member or members to whom such authority is delegated must report any pre-approval decisions to the Audit Committee at its next scheduled meeting. The Audit Committee does not delegate its responsibilities to pre-approve services performed by the independent auditor to management.

THE BOARD, INCLUDING EACH OF THE INDEPENDENT DIRECTORS, UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR RATIFICATION OF ERNST & YOUNG LLP AS INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM TO THE COMPANY FOR THE FISCAL YEAR ENDING SEPTEMBER 30, 2021.

Audit Committee Report¹

The following is the report of the Audit Committee with respect to the Company's audited financial statements for the fiscal year ended September 30, 2020.

The Audit Committee has reviewed and discussed the Company's audited financial statements with management and Ernst & Young LLP, the Company's independent registered public accounting firm for the fiscal year ended September 30, 2020, with and without management present. The Audit Committee included in its review results of Ernst & Young LLP's examinations, the Company's internal controls and the quality of the Company's financial reporting. The Audit Committee also reviewed the Company's procedures and internal control processes designed to ensure full, fair and adequate financial reporting and disclosures, including procedures for certifications by the Company's chief executive officer and chief financial officer that are required in periodic reports filed by the Company with the SEC. The Audit Committee is satisfied that the Company's internal control system is adequate and that the Company employs appropriate accounting and auditing procedures.

The Audit Committee also has discussed with Ernst & Young LLP matters relating to Ernst & Young LLP's judgments about the quality, as well as the acceptability, of the Company's accounting principles as applied in its financial reporting as required by Auditing Standard No. 16 (Communication With Audit Committees). In addition, the Audit Committee has discussed with Ernst & Young LLP its independence from management and the Company, as well as the matters in the written disclosures received from Ernst & Young LLP and required by Public Company Accounting Oversight Board Rule 3526 (Communication with Audit Committee Concerning Independence). The Audit Committee received a letter from Ernst & Young LLP confirming its independence and discussed it with them. The Audit Committee reviewed and approved the amount of audit fees paid to Ernst & Young LLP for the fiscal year ended September 30, 2020. The Audit Committee discussed and reviewed with Ernst & Young LLP the Company's critical accounting policies and practices, internal controls, other material written communications to management, and the scope of Ernst & Young LLP's audits and all fees paid to Ernst & Young LLP during the fiscal year. The Audit Committee adopted guidelines requiring review and pre-approval by the Audit Committee of audit and non-audit services performed by Ernst & Young LLP for the Company. The Audit Committee has reviewed and considered the compatibility of Ernst & Young LLP's performance of non-audit services with the maintenance of Ernst & Young LLP's independence as the Company's independent registered public accounting firm.

Based on the Audit Committee's review and discussions referred to above, the Audit Committee recommended to the Board (and the Board has approved) that the Company's audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended September 30, 2020 for filing with the SEC.
